FROM THE DIRECTOR'S DESK:

The Culpeper County Parks and Recreation Staff continues to work diligently towards the goal of providing Culpeper residents with a variety of classes, programs, and activities. Recently, a needs assessment study was initiated by the Parks and Recreation Department through Virginia Polytechnic Institute and State University (Virginia Tech). The study revealed that many respondents believed there was insufficient publicity about current recreational offerings. To address this viewpoint, Department Staff will create a marketing plan to increase our visibility to the community residents.

In a few weeks, Spilman Park, located on Rt. 621 in Jeffersonton, will receive a long-awaited addition for the public's pleasure. Several local historians are preparing information about the Spilman homestead. The information will be inserted onto a weather proof interpretive panel with stand and located in close proximity to the stand-alone chimney.

On April 3rd the Board of Supervisors approved an agreement between the County and Culpeper Area Mountain Biking Organization Inc. (CAMBO) giving the organization access to use the landfill property at 14017 Laurel Valley Place off Route 522. The agreement allows CAMBO members to construct mountain bike trails throughout the property with prior approval and to hold scheduled group rides when the trails are ready. A grand opening will be planned in the near future, and CAMBO members will be present that day to register interested parties. Further information about membership can be obtained by contacting the Bike Shop at (540) 825-2105 or Laura or Tony Kennedy at lkennedy22@earthlink.net.

Development of the Culpeper Community Complex, located at the intersection of Rt. 29 & Rt. 666, continues to move forward. Presently two electrical boards are being constructed that will provide electricity to operate the ball field scoreboards and eventually, two concession stands. One stand will service the baseball/softball portion of the park, while the other will support functions at the soccer, football and lacrosse area.

Plans to build the concession stands, however, are progressing slowly. As a community effort, the concession stand project still requires volunteer manpower, equipment, supplies and materials to begin and finish the job. Blueprints have been prepared, building permits are ready and the weather is cooperating. **The Culpeper Recreation Foundation, Inc.** [a 501 (c)(3)] is a non-profit tax-exempt organization ready to accept any assistance towards this and other projects.

The Culpeper Recreation Foundation Inc. continues to accept sponsorships, with recognition of significant donors, pledges and contributions for items such as landscaping, pavilions, playground equipment, and benches. A list of other amenities is available by contacting the Parks and Recreation Office at (540) 727-3412 ext 8 or email at jbarrett@culpepercounty.gov.
